

4-Patch Star

January

<https://www.youtube.com/watch?v=vSKQhzZYwFw>

Fabric is bright colors with off white background

Cut 16 2.5 inch squares of multiple bright colors

- 1 10 inch square of bright color
- 1 10 inch square of background
- 4 4.5 inch squares of background

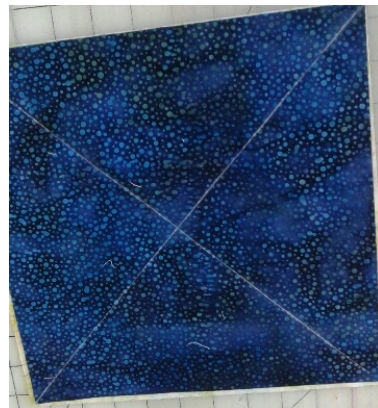

Construct 16 patch block with the 2.5 inch squares

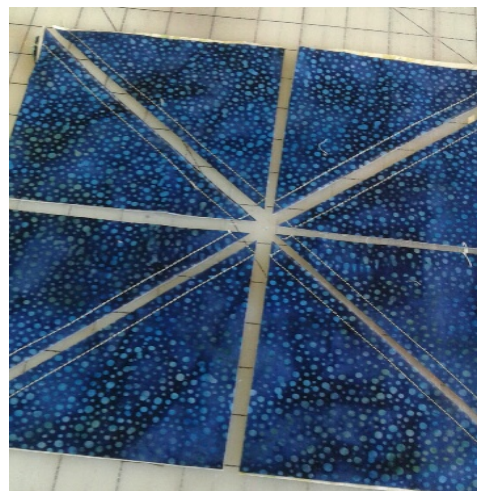

Using the two 10 inch squares make the “Magic 8 half Square Triangles

Mark from corner to corner

Sew $\frac{1}{4}$ inch on both sides of these lines

Cut on the line, and cut top to bottom, and side to side (4 CUTS)

Open Half Square triangles, press half to the dark color and half to the light.

Make 4 flying geese units

Construct block like a 9- patch

Actual Block of the Month

January 2017
